Easily Conquered A. well-known New Yorker of wide experience, has written a book teiling how the tobacco or soulf habit may be seadly and completely handled in three days with delightful benefit.

The health improves wonderfully after the picotine poison is out of the gratem. Calumess, tranguil sleep, clear eyes, normal appetite, good digustion, manly vigor, strong memory and a general gain in efficiency are among the many benefits reported. No more of that nervous feeling, no more need of pine, cigar, cigarette or chewing tobacco to posity the recytic desire. The author, Edw. J. Woods, 834 Sixth Ave., 199 G. A PRACTICAL METHOD OF Overcoming RHEUMATISM

Medical research has traced the cause of the condi-tion commonly know as RHEUMATISM to the digrative organs. It is established that when the liver and hidneys do not perform their proper functions they fail to throw off the URIC ACID which then percentes the entire system, resulting in EHEUMATISM.
